Re: Ciba-Geigy Corporation  
Toms River Plant  
Dover Township, New Jersey

Dear Walter:

I have enclosed for your information a copy of an Administrative Consent Order which DEP executed yesterday with Ciba-Geigy Corporation regarding its facility in Dover Township, New Jersey. The Consent Order addresses a number of issues including the removal of 14,000 drums of waste from Cell 2 of the landfill, reorganization of the facility's environmental affairs department, reduction of the toxicity of the effluent from the company's wastewater treatment plant, and payment of a \$1.45 million penalty. The Consent Order complements the RI/FS that EPA currently has underway concerning the facility.

Please do not hesitate to call me if you have any questions concerning the agreement.

Sincerely,

*Gerard*
